Professional Profile

Amit Srivastava, a Principal Associate at KNM & Partners, is having over 29 years of experience in the field of law. He has vast experience in successfully representing government, semi-government as well as the corporate sector clients—both of India and International. His practice embraces a wide range of complex litigation matters, including arbitration, commercial, consumer, criminal, labour, etc.

Apart from above, he has vastly worked for factory setup of a few Japanese conglomerates by providing legal due diligence and execution of the deeds and documents including but not limited to coordination with government and related institutions like GIDC, GPCB, Gujarat Maritime Board, INDEXTb, UGVCL, etc.

He also advises on litigation strategy, risk mitigation, and dispute resolution while working closely with in-house legal team and corporate sector clients.
