Professional Profile

Sagar Khanna is a Senior Associate at KNM & Partners, Law Offices, with over 6 years of experience in corporate and commercial laws. A graduate of Nottingham Trent University, United Kingdom (LLM., 2018), Sagar advises clients across diverse sectors including automotive, IT/ITES, real estate, stationery, electronics and consumer products.

His practice focuses on general corporate & advisory related to real estate transactions, labour & employment, trademarks, copyrights, patents, legal metrology, motor vehicle laws, Bureau of Indian Standards (BIS) etc. Sagar has significant experience in advising on and drafting a wide range of agreements including builder buyer agreements, construction contracts, services agreements, lease deeds, employment agreements, non-disclosure agreements, assignment agreements, software as a services agreement and company policies.

Sagar has advised several Indian and Japanese clients pertaining to their day-to-day management queries; compliances related to employment and labour laws, legal metrology (BIS), and real estate laws; securing registration of trademarks; conducting corporate due diligence and advisory on mining laws.
