Professional Profile

With over 26 years of experience advising on corporate, taxation, and foreign exchange laws, Mukesh Singhal is a dual-qualified Lawyer and Chartered Accountant. Mukesh brings rare depth in legal, tax, and regulatory structuring, serving a diverse clientele comprising multinational companies, foreign investors, high-net-worth individuals, and Indian conglomerates.

He is a part of the Firm's direct taxation, foreign investment, and corporate structuring practices and is the trusted advisor for several inbound and outbound investment mandates, business reorganisations, and direct tax controversies. His cross-functional experience enables him to integrate transactional, regulatory, and litigation strategies into seamless, business-centric solutions.

Mukesh has played a central role in advising marquee clients on India entry strategies, cross-border acquisitions, exit structuring, and complex direct tax matters. He regularly appears before the Income Tax Appellate Tribunal and appellate tax forums, representing clients in transfer pricing, withholding tax, international taxation and corporate tax disputes.

Mukesh also advises on group reorganisations, demergers, shareholding rationalisations, and cross-border restructuring for value unlocking, consolidation, and future fund-raising. He has been actively involved in major restructuring, joint venture and M&A transactions across sectors, including manufacturing, logistics, engineering, and fintech, as reflected in the Firm's key awards and submissions.
